Website: [www.worldncdfederation.org](http://www.worldncdfederation.org)

Email: [worldncdfederation@gmail.com](mailto:worldncdfederation@gmail.com)

## 1. World NCD Federation

World NCD Federation (WNF) is a professional association, launched in Chandigarh India, in March, 2015 with a mission to work for global NCD agenda (SDG 3.4, 3.5, 3.6, 11 and 17) and Universal Health Care for Noncommunicable diseases (NCDs) which is accessible and acceptable to all and at a cost, the developing countries can afford to maintain and sustain population wide and individual clinical NCD interventions.

## 2. Activities/Events of World NCD Federation

- 1. The First World NCD Congress (2 -7 November, 2017 ) :** World NCD Federation in collaboration with Ministry of Health and Family Welfare, Govt. of India, Chandigarh Administration, Post Graduate Institute of Medical Education and Research, Chandigarh, a National Medical Institute of Excellence in India organized “The First World NCD Congress2017”. The theme of the Congress was "Preventing Non-Communicable Diseases: Realizing Sustainable Development Goals (SDGs)". A wide range of scientific deliberations was held during the entire World NCD Congress 2017 conference. The Conference had three components; Twelve pre-conference workshops (November 2- 3, 2017) ; conference (November 4–6, 2017); and four post-conference workshops (November 7, 2017). A total of 69 oral presentations and 220 e-poster presentations were delivered on the themes of the Congress. On day -1 of the World NCD Congress 2017,there were plenary sessions(2) and 15 parallel sessions. On day 2 of the Congress, Keynote addresses by two distinguished speakers: Dr. Salim Yusuf on Cardiovascular Diseases and Dr. R. Sankaranarayanan and parallel sessions (18) .On day 3, plenary sessions (2) and

parallel(6) sessions were conducted. During World NCD Congress four special sessions were also conducted .Range of the discussion was wide enough to cover from local district issue to regional and global issues. One thousand and seven hundred participants from over 100 countries of the world participated. “Chandigarh Call for Action” was released at the conclusion of the Congress.

**2. Expert group deliberations on guidelines for non-communicable diseases at primary and secondary healthcare settings organized by World NCD Federation on March 7, 2018**

World NCD Federation observed its foundation day on March 7, 2018 with the theme “Promoting Evidence based NCD guidelines”. The two days’ expert group meeting was organized by World NCD Federation and discussion was held on evidence-based guidelines.
