

**Invitation to set up exhibition stalls during Eighth International CME
on “Reversal of Non-Communicable Diseases: Fact or Myth?”
(7th March 2023)**

World NCD Federation invites setting up exhibition stalls during Eighth International CME on “Reversal of Non-Communicable Diseases: Fact or Myth?” on 7th March 2023

SoPs and Guidelines for Exhibition Stalls

1. The Exhibition Stalls must adhere to the Conflict-of-Interest policy of World NCD Federation

World NCD Federation is cognizant of issues and concerns to all areas that prevent and jeopardize expansion and strengthening of NCD Control programmes globally and hence to promote objectivity in its endeavor, has developed this Statement of Conflict of Interest. The purpose of this policy is to help protect integrity, to ensure transparency, and identify and manage conflicts of interest to achieve NCD national and global targets.

No exhibition stall shall represent any organization/ institution/ group endorsing potential risk factors of Non-Communicable Diseases (NCDs), and/ or, associated with ill effects on health in any way.

2. Exhibition Stall Fee:

For 2 ft x 2 ft space: INR 25,000

For 2 ft x 3 ft space: INR 35,000

3. Exhibition Stall venue: National Institute of Nursing Education (NINE), Post Graduate Institute of Medical Education and Research (PGIMER), Chandigarh.

For any communication regarding the exhibition stall setting-up, kindly email to us on worldncdfederation@gmail.com with the following SUBJECT statement:
